FOR IMMEDIATE PRESS RELEASE

TAKE Solutions' Life Sciences Division Announces Release of PharmaReady Version 4.1

Raleigh, N.C. – October 28, 2008 — TAKE Solutions' Life Sciences division announced today the release of PharmaReady Version 4.1 that offers powerful new enhancements to the fully integrated, web-based suite of products.

The industry-leading document management and submissions publishing solution, built on Microsoft platform, is deployed at customer sites worldwide. "Since its launch in 2003, PharmaReady has been continuously evolving to meet the demands of the regulated life sciences industry. Five years and scores of satisfied customers later, our focus still remains the same," states Robert MacDougall, Executive Vice President, TAKE Solutions.

With continuous inputs from its customers, TAKE Solutions has been creating newer modules and features to PharmaReady, furthering the effectiveness and easy-of-use of the solution suite. Some of the highlights of the PharmaReady 4.1 are:

PharmaReady V4.1 Highlights:

Document Management System (DMS)

- Virtual Document Workflow and Interface Enhancements
- Enhanced Office 2007 Integration and Support
- Document Owner Functionality and Role

Electronic Submissions (eCTD)

- eCTD Enhanced Support for Canadian STF Submissions
- Increased eCTD Support for STF Sub-Structures
- Enhanced Acrobat Support
- eCTD Submission Compile Time Decrease and Enhancements
- Support for Updated eCTD Guidance from FDA

Training Records Management System (TRMS)

- Option to Add TRMS Events Directly to Outlook Calendar
- Enhanced Action Item Processing

Structured Product Labeling (SPL)

- Workflow Notifications can be turned off / on
- Updated Scripts to Better Support FDA Guidelines

About PharmaReady™

[PharmaReady](#) is a fully integrated web-based product and services solution suite including [Document Management](#), [Training Records Management](#), [Structured Product Labeling](#) and [Submission Services](#). PharmaReady is specifically designed for life science organizations where ease of installation, ease of use, Part 11 compliance, and affordability are the primary business drivers. The PharmaReady solution suite is designed for management of SOPs, work instructions, training records, submission documents and all other documents within business areas regulated by the FDA. PharmaReady is a fully [21 CFR Part 11](#) compliant solution based on Microsoft Windows technology.
