

Deloitte recognizes TAKE Solutions as India's 10th fastest growing technology company

Moves ahead two places as compared to last year

Chennai, December 9, 2008: TAKE Solutions Ltd. (BSE CODE NO: 532890), leaders in Supply Chain Management (SCM) and Life Sciences products, today announced that it has been ranked amongst the top 10 winners in the Deloitte Technology Fast 50 India 2008. TAKE Solutions has been placed amongst the top 15 for the second year in a row.

The Deloitte Technology Fast 50 India 2007 program, conducted by Deloitte Touche Tohmatsu Asia Pacific, recognizes and profiles 50 fast-growing technology companies in India based on their percentage revenue growth over the last three financial years. It is part of a global program run in parallel with the other regional programs in EMEA (Europe, the Middle East and Africa), North America and Asia Pacific. It includes all areas of technology – from Internet to life sciences, from computers to semiconductors – and covers both public and private companies.

Speaking on the win, **Mr. Srinivasan HR, Vice-Chairman and Vision Holder, TAKE Solutions Ltd.** said, "TAKE Solutions' identified the huge potential that lies in the Supply Chain and Life Sciences segment. We have adopted a vertical focussed strategy, which has given us a leadership position in our target market. We intend to sharpen our competitive edge by further strengthening our R&D activities and continuously innovating new products. It's a great honour to be recognized as an organization that is consistently creating value for its customers worldwide."

Mr. S. Sridharan, Managing Director, TAKE Solutions Ltd. said, "Our approach of products being better than services has helped us gain an impressive clientele across the globe. It is evident from the momentum of our growth that we have been able to identify our own niche in the vast market and we intend to strengthen our position further."
