Chennai January 30, 2008: The Board of Directors of TAKE Solutions Ltd. [BSE: 532890 | NSE: TAKE], a leading international business technology company, with products backed by a strong domain expertise in Supply chain Management & Life Sciences - to provide cost effective, comprehensive solutions for businesses announced that TAKE Solutions has posted revenue of INR 965 million for the quarter ended December 31, 2008 as against INR 795 million for the same period last year, representing 21% y-o-y growth.

The company in their results has reported flat y-o-y Profit After Tax at INR 145 million as against the same amount during the corresponding quarter of FY08. During Q3 FY09, net profit was impacted by exceptional item. The exceptional item for the quarter ended December 31, 2008, comprises legal and professional expenses incurred in connection with a proposed merger and the same has been written off since the event did not materialize. The total exceptional expenses written off during the quarter is INR 24 million, before tax and INR 15.9 million, net of tax. Excluding this cost, the third quarter net profit increased 13% y-o-y to INR 168 million and earnings per share increased 11% y-o-y to INR 1.34.

Commenting on the company's financial performance **Mr. Srinivasan H.R, Vice Chairman, TAKE Solutions** said, "In the current uncertain economic and business environment, we are happy to continue with our healthy performance. Our focus continues to be on maintaining acceptable level of margin. The strategic planning undertaken by TAKE Solutions in the niche sector we operate has helped us to focus on addressing customers' most critical business issues and as such we hope to continue to emerge even stronger than we are today".
